

PRODUCT CATALOGUE

Sameday printing is just the beginning.

We pride ourselves on providing our customers with affordable, high quality work with a fast, reliable turnaround. With over 30 years of experience in the Brisbane printing industry, we are a trusted partner to many local and national businesses.

Our experienced staff can help you find the best solution to suit your needs, and offer an unmatched range of services, printing options and advice

Drop in and see the difference.

Come visit our offices on Newmarket Rd in Windsor (10 minutes from Brisbane CBD) with free parking, a fully stocked showroom of samples, graphic design services and friendly staff.

It's easy to order online and pick up in person, or visit us to talk to our team about your next project. Most of our printing is done onsite, so you'll be up to date with your job and talking directly with the people who'll be printing and designing it for you.

We're looking forward to working with you!

OUR PROMISE TO YOU

LAYOUT AND QUALITY

Your job is checked by our experienced printers before print. Please note spelling and content are your responsibility.

TIME FRAME

Most jobs can be done within the timeframe. Please contact us if your job is urgent or if you also require delivery by a certain time.

QUALITY OF PRINT, FINISH & STOCK

QUALITY SATISFACTION

If you are not satisfied with your print, we will strive to fix the problem, otherwise we will refund part or all of your order.

COLOUR ACCURACY

We can print a sample for the customer to check before printing the whole order for most products. Please ensure to request a sample in the comments

DIGITAL CARDS

Get great cards fast.

Business cards are essential. Whether it's to network, drive traffic to your website, make sure your friends can get in touch, get your services out to clients or advertise your work, business cards are one of the most important tools you can have in your wallet.

We specialise in fast business card printing with a one day turnaround available, to make sure you've always got a card on hand when you need it. We've also expanded our range of stocks and card options over the years to make sure you've got choice, even in a hurry.

For less urgent offers, check out the discounted 3 day printing deals on most of our digital cards.

OUR BESTSELLERS

STANDARD 350 GSM

Our most popular card option. Make sure you've always got a card on hand. Our 350gsm cards are available printed one or two sides, in uncoated, gloss cello or matt cello laminate.

SAMEDAY

3 DAYS

400GSM PREMIUM

These cards are thicker than the standard card to give them a little more distinction than our standard cards. Our 400gsm premium cards are available printed one or two sides, in uncoated, gloss cello or matt cello laminate.

SAMEDAY

3 DAYS

SQUARE CARDS

Think outside the box! 55x55mm square cards available on standard 350gsm or 225gsm buffalo board.

SAMEDAY

3 DAYS

LINEN

A textured card for a classy look and feel. This stock is white, but can be tinted by adding a colour to your original design. Feel the difference.

SAMEDAY

3 DAYS

METALLIC FOILS

Available in gold or silver. We can now offer metallic foil cards onsite with our digital machines for quicker turnarounds than the premium specialty option. These cards are ideal for smaller and more urgent orders. Talk to our team about accenting your new card with gold or silver!

3 DAYS

ROUNDED CORNER

Available in standard or buffalo board, rounded cards feature 3mm rounded edges on all four corners.

SAMEDAY

3 DAYS

SLIMLINE

Trimmed to 95 x 45mm, slimline cards give your business a sleek, modern look. Available in all our most popular stocks.

SAMEDAY

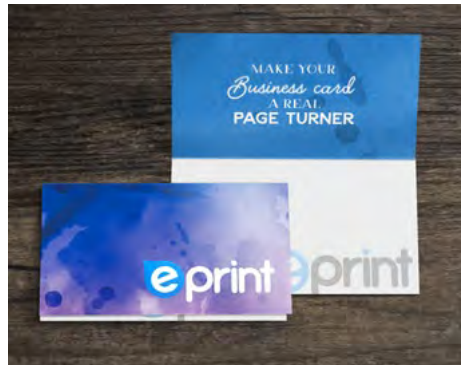

BUFFALO/KRAFT

Printed on 225gsm recycled stock. For striking results, try a blank background with black elements to really make your design pop.

SAMEDAY

3 DAYS

FOLDED

Double the available information on your card for clients. Available folded short end (180x55mm) or long end (90x110mm).

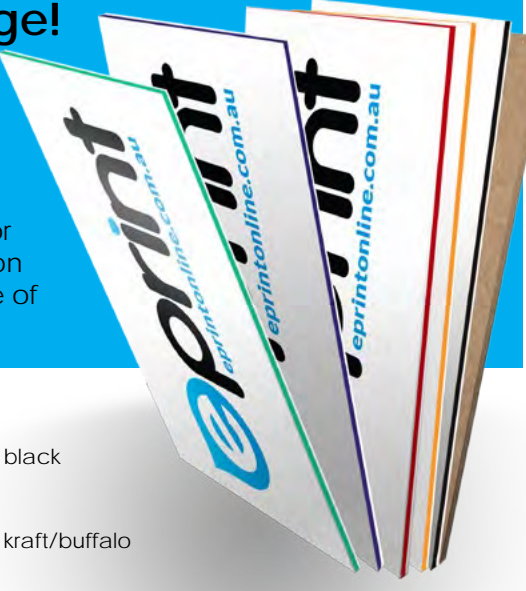

SAMEDAY

3 DAYS

INTRODUCING... DUPLEX & TRIPLEX CARDS Super-thick cards to give you the (coloured) edge!

Duplex and Triplex Business cards are often referred to as Layered Cards and are made from Multiloft card stock. Choose from either a double or triple layered card with white on the printing sides and a choice of 6 colours for the centre.

- Available in:
- teal
 - orange
 - black
 - cherry
 - blue
 - kraft/buffalo

DUPLEX

TRIPLEX

SPECIALTY CARDS

DIECUT CARDS

Stand out from the crowd with a custom-shaped business card. Printed one or two sides on thick 400gsm cards in your custom shape.

EMBOSSSED CARDS

Available in 310gsm or super thick 420gsm, embossed cards create a distinct, classic look for your card. Feel the difference!

PREMIUM HOT FOIL CARDS

Shine brightly with hot foils. Printed on 420gsm cards and available on 1 or 2 sides in uncoated or matt cello. Available in: Gold, silver, clear, black, green, red or blue.

RAISED SCODIX CARDS

A smooth, raised UV ink is placed over your logo or select parts of your design for a smooth, shiny highlight. Available in 450gsm with a velvet cello finish.

RAISED METAL SCODIX

A smooth, raised UV ink is placed over your logo or select parts of your design for a shiny embellished highlight. Available in 450gsm with a velvet cello finish.

SPOT UV CARDS

Shine with a deluxe Spot UV card. Use this shiny clear ink effect to highlight your logo or parts of your design. Available in 450gsm with a velvet cello finish.

PLASTIC CARDS

Tough, weatherproof and wallet-proof. Perfect for loyalty, membership and ID cards, our 0.6mm thick plastic cards come with 3mm rounded corners and are recyclable.

CAST-COATED

These two sided 350gsm cards come with a glossy front and uncoated writable back. Perfect for showing off photos on the front side of your card like a miniature postcard.

SPOT SILVER CARDS

These cards are printed with standard CMYK ink as well as striking spot silver (PMS 877) ink. Team them with a Spot UV finish to really create a one of a kind card for your business.

Please check out our website for specific artwork setup and turnaround times for specialty cards, or call or email. Most specialty cards have a 5-10 day business turnaround, depending on the product and the current demand.

SWINGTAGS

For branding your products, showcases or setting up custom gifts, we offer swingtags in a range of sizes in thick 350gsm board or brown kraft buffalo board. Each swingtag comes with a punched hole and is available in straight or classic-style cut corners

Our standard swingtags are available with 1 day or 3 day turnarounds. Custom shapes and finishes are available via our sales team.

Please note we do not supply string for swingtags.

INVITATIONS

Wedding and event stationary can be complicated, expensive and time-consuming, but we've worked to provide you with a range of high-quality affordable invitations, table cards, save the date notices and signs without the usual premium prices.

Ask our friendly printers and designers about what we can do to make your perfect day a little more perfect.

We also offer mail merge services, just email us with a guest list and we'll do the rest.

FOR YOUR BIG DAY WE ALSO RECOMMEND

- Gold foils for your invitations
- Signboards for seating plans and event signage
- Selfie boards for happy snaps
- Stickers for your wedding favours
- Folded Flyers on thick stocks for place cards

GOLD & SILVER FOILS AVAILABLE

Flyers done fast.

We can print your flyers within one business day and offer great discounts on our three day turnaround flyers. Great for your business, events, letter-drops, invitations and promotions.

Check out our website for our full range of available stocks. We can also fold your job or provide special finishes such as PMS colours, foils, mail merge service for customised flyers and many other options to make your flyers stand out and work hard.

For custom finishes and folding please contact us for a quote.

HANDY STOCK GUIDE

150-200GSM MATT/GLOSS

Our standard flyer thicknesses are bright-white and double coated for vibrant, high-quality prints. These papers are acid-free and FSC approved.

225GSM BUFFALO BOARD

Also known as kraft paper. This recycled stock is great for a handmade or rustic look. Works best with black and white designs or high contrast artwork.

350GSM MATT/GLOSS

Our thickest flyer stock, usually used for business cards. This stock is ideal for sturdy flyers, invitations or postcards made to last.

280GSM LINEN

A classic textured paper for a classy look for your next flyer or business card. This paper is white, but can be tinted by adding a colour to your original design.

300GSM SILK ART

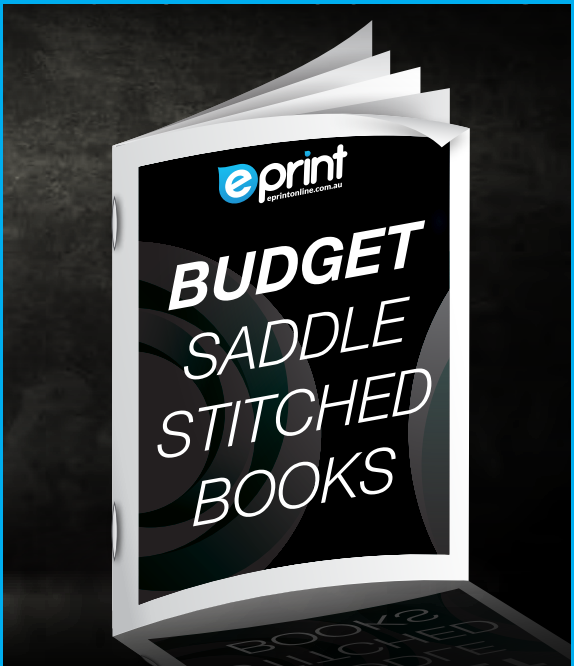

Great for flyers with high quality images. This semi-gloss stock will make your photos and illustrations stand out.

Make a great impression with our booklets

Create eye-catching booklets your clients will want to pick up and keep. Great for catalogues, portfolios, proposals and info packs. Our booklets feature vibrant, high-quality printing and a tough saddle-stitch binding on the side. We offer both a economy and premium option to suit your needs. Both options are available on a 1 or 3 day turnaround.

For large quantities, specialty finishes and for custom sizes please contact us for a quote.

BUDGET BOOKLETS

- 5mm white borders on all pages
- 200gsm Silk Art covers (other options available)
- 100gsm Bond pages inside
- Magazine style- Saddle stitch on spine
- Portrait Booklets only
- Contact us for landscape booklet prices
- Fast and affordable option for your next booklet

PREMIUM BOOKLETS

- Colour to the edge
- Premium 300gsm Gloss or Matt covers available
- 150gsm pages inside
- Magazine style- Saddle stitch on spine
- Portrait Booklets only
- Contact us for landscape booklet prices
- Make a great impression with premium covers and print

Need help setting up your booklet?

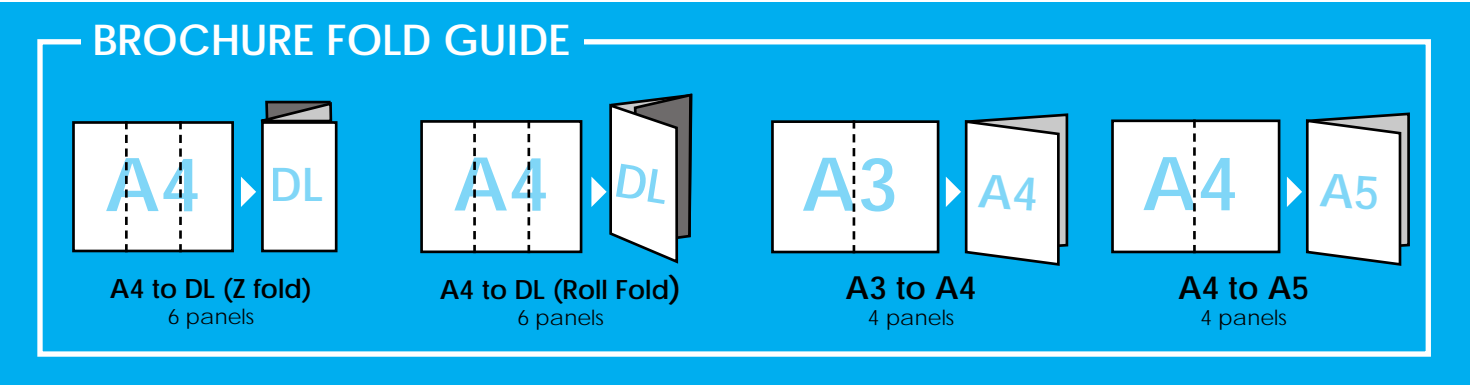

Check out the website for templates for setting up your artwork for print or talk to our in-house graphic designers about setting up your job for you.

BROCHURES

Brochures are ideal for takeaway menus, service menus, information on your business or association or showing off your work.

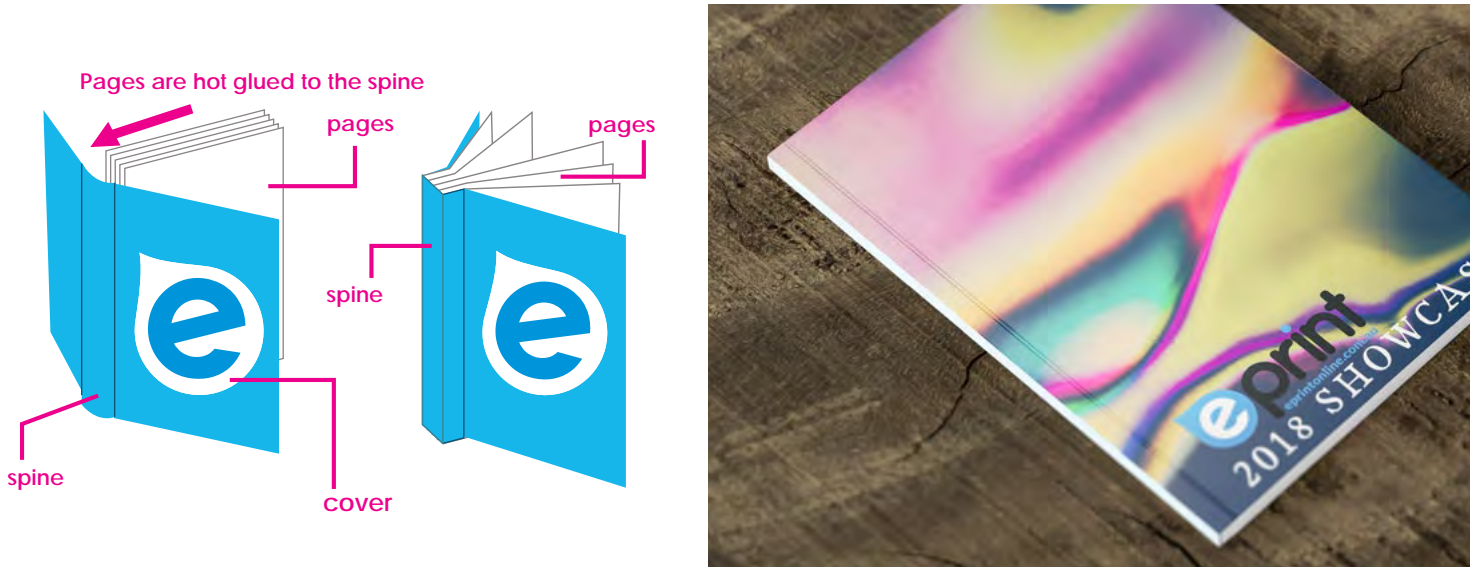

Our brochures are available in a range of sizes, fold types and stocks. Ask our staff about custom sizes, folds, perforations and finishes such as gold foiling and Spot UVs.

Please note that large orders and stocks thicker than 200gsm will be scored and supplied flat for folding by the customer.

PERFECT BOUND BOOKS

For self-published books, yearbooks and booklets with a very large page count, we recommend perfect bound books. Tough and professional looking, your book will have a spine to withstand heavy use with your choice of a range of cover and internal stocks.

POSTER PRINTING

Think big and print it big.

We specialise in large format printing, as well as a range of finishing to make sure your poster looks its best. We can print posters for advertising materials, signage, presentations and home decor and much more.

As well as our usual range of high quality paper stocks, we also have many finishing options to weatherproof or accent your new poster.

LARGE POSTERS

We offer printing on a range of stocks for posters as large as 3000mm x 914mm with fast turnarounds and discounted 3 day turnarounds, depending on your needs.

BACKLIT POSTERS

We can print high-quality posters for your existing backlit signage and lightboxes. Please note we do not supply the equipment or install lightboxes.

DISPLAY FILM

Get high definition results with our tough, plastic-based display film. This stock has an opaque core to block out all unsightly shadows behind it.

FABRIC POSTERS

Great for presentations on the go. These tough travel-friendly fabric posters can be easily folded and stowed away in your luggage inbetween conferences.

STATIC CLING POSTERS

Static Cling Posters are a great solution for an easy to apply poster for flat glass surfaces and select walls. Easy to apply and reposition with no mess or residue.

BLOCKMOUNTED POSTERS

Available in a range of colours with both straight or beveled edges, we offer blockmounting services to give your print job a distinctive finish and extend their life.

LARGE FORMAT LAMINATING

We can laminate your existing large posters, or a poster order you've placed with us, to protect your prints.

INVOICE BOOKS

Never lose that important invoice again.

Keep all your paperwork in order with custom invoice books. Create a docket book to suit the unique needs of your business and employees. The carbonless paper ensures crystal clear duplicates and triplicates of your paperwork. You can easily reorder them online, use an online template or have our designers create something from scratch.

Our invoice books are sequentially numbered, available in duplicate or triplicate and can be ordered in sets of 50 or 100.

HIGH QUALITY BOOKS

The books are printed with blue or green Croc board and tape-bound with an attached writing flap. We have other coloured covers available on request, please contact us for more.

BLACK INK OR COLOUR

We can print invoice books in black ink, colour or in your Pantone colours to match your company's branding.

LOOSE LEAF FORMS

If invoice books aren't quite right for you, we also offer loose leaf duplicate forms. Great for staff out and about with clipboards or for packing forms requiring a customer and tax copy.

ENVELOPE PRINTING

Save valuable time and make sure your message gets noticed with custom colour envelope printing. We offer sameday printing for small orders in a range of sizes as well as a large range of options for large runs of envelopes.

We offer:

- Secretive Peel and Seal
- Window Peel and Seal (5+ Days only)

Available in

- DL
- C4
- C6
- Other sizes are available on request

WITH COMPS AND LETTERHEADS

Make it official.

Give your business a professional and authentic look with branded letterheads and stationary. Keep your correspondence consistent and distinctive while making sure your clients can easily get in touch.

Ask about our range of papers and finishes such as Pantone colours and embossing.

PRESENTATION FOLDERS

We offer high-quality printed presentation folders in a range of different sizes and styles to suit your business needs.

Presentation folders are a stylish way to keep handouts and information packs consistent with your brand and make a great impression with potential clients.

Our presentation folders are available with single or double sided printing, Spot UV printing and matt or gloss covers.

NOTEPADS

Take note.

Make sure your business stays in customer's minds (and on their desks) with custom notepads.

Printed in full colour, each contains 50 leaves per pad with a padded head and backboard. Notepads make a great promotional giveaway that won't get thrown away or lost, or can be used for branded stationary for your office.

Available in a range of papers with single or double sided printing.

CANVAS PRINTING

Create a memory.

Canvas prints make a thoughtful and personal gift, a great way to decorate your house or to commemorate a special occasion.

Each high-quality canvas is printed with UV resistant inks and your choice of edging. It comes fully assembled and ready to hang. Your new canvas includes stretcher bars, corner protectors and felt bumpers to protect your new print and your walls.

If you're in a hurry, we can print and assemble most jobs within 1 business day (to collect) so you make sure your gift gets to its new owner right on time.

Ordering is easy.

Just check out our website, select your preferred size and edge style, upload your image and relax while we put together your new work of art.

For large files, we recommend a file-sharing site, such as WeTransfer or Dropbox, then email us at orders@eprintonline.com.au

DELUXE METAL PHOTO PRINTS

Our newest way to help you shine.

Introducing our newest product; Metal Photo Prints. Using our specialist equipment, we can print your photographs and artwork on white gloss aluminum for a stunning, modern look. Metal prints are perfect for artwork and photography in personal and commercial settings. The results are incredibly vibrant and printed in high definition detail.

Our 100% recyclable aluminum panels are lightweight and tough. These prints are fade, moisture, chemical and scratch resistant, so they will last for years to come. We also offer a range of mounting options. Great for gifts, exhibitions or interior decor for your home or office.

CUSTOM PHOTO GIFTS

Create your own way.

We're excited to offer our customers a new range of customisable dye-sublimated gifts and apparel using our newest dye sublimation printers. Print your logo, design or photograph on a range of products from apparel, textiles, drinkware, glass, metal and promotional products. Great for small or large runs, contact us for more details on all our custom printing possibilities! Contact us for a custom quote today.

VEHICLE GRAPHICS

Bring your brand with you.

Our vehicle signage solutions are the best way to bring your business on the move with you. We can help you design and print stickers and magnets unique to your vehicle and business. We offer an affordable alternative to expensive full-body car wraps that require you to leave your vehicle with installers.

ONE-WAY REAR WINDOW STICKERS

Our road-safe one-way vision stickers will help you make the most of your vehicle. The driver can easily and safely see out, but other drivers and pedestrians can only see your sticker design.

DOOR MAGNETS

An economical solution to car signage. Car magnets are super strong, reusable and won't leave any residue or marks on your vehicle. Great if you need to switch between vehicles but still want to get your business out in front of potential clients.

BUBBLE-FREE CAR STICKERS

Our bubble-free vinyl stickers are great for putting your logo and message on your vehicles. Printed on tough, white vinyl with UV resistant inks, these stickers produce vibrant results and are a long-lasting choice for your car or truck.

FOR MORE VEHICLE STICKERS CHECK OUT:

- Diecut and clear vinyl stickers for your windows
- Hi-tack stickers for bumper stickers

Please note we cannot install car signage for you, but our printers are happy to walk you through the installation process and instructions are also available on our website.

A FRAMES

ALUMINIUM A-FRAME PACK

Comes with Australian made steel frame and 2 printed metal dibond panels of your design. Great for long-lasting outdoor signs and vibrant colour.

CORFLUTE INSERT A-FRAME PACK

Comes with Australian made steel frame and 2 printed 5mm corflute panels of your design. Great for easily updated outdoor signage.

A-FRAME REPLACEMENT BOARDS

Save money and easily update your signage with 5mm corflute replacement boards

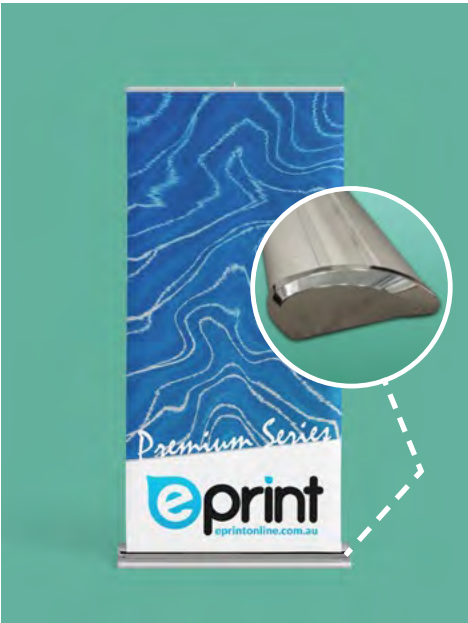

PULLUP BANNERS

The perfect solution for dependable banners that you can take with you event after event. Catch the attention of passersby, use them for tradeshow, advertise new products or as extra indoor signage. Each pullup banner comes assembled in a carry case with your choice of base and is printed in-house with UV inks on a high quality, low-glare synthetic stock.

BUDGET BASE

Our most popular option. For urgent or light use banners on a budget. The budget base sits on feet to keep it balanced. Available in silver or black. Single-sided or double-sided (3 & 5 days only for double-sided)

PREMIUM BASE

For longer term use and premium quality. These include a heavier, weighted base without legs. Available in silver or black. Single-sided or double-sided (3 & 5 days only for double-sided)

BANNER RESKINS

Easily update your signage the affordable way. We can replace all banners from our eprint range with your new content and reinstall at our office.

SIGNBOARDS

Our signboards are available in a range of materials to suit your needs including foamboard, corflute, PVC and aluminium panelling (Alupanel). Signboards provide versatile solutions when you need to get your message out, and can be cut to custom sizes, supplied with metal eyelet holes for hanging and are available in same-day, three day and five day turnarounds.

SIGNBOARD MATERIAL GUIDE

- **Corflute** - Great for real estate signs, construction sites and outdoor signage. These 5mm moulded plastic signs are tough, weatherproof and have a ridged surface.
- **Foamboard**- Flat, lightweight signs with a foam core. Ideal for presentations and indoor use.
- **PVC** - For thinner waterproof signage. 3mm PVC boards are a great choice when you needed subtle, professional outdoor signage.
- **3mm Alupanel** - 3mm thick lightweight aluminium signboards are rigid, tough and feature a high-gloss quality finish.
- **Gator Board**- The best of both stocks with a foamcore centre and rigid, tough faces.

VINYL BANNERS

Perfect for indoor and outdoor applications, our banners are printed on high quality, durable material with UV inks to keep them looking good indoors or outdoors. These banners are weatherproof and make versatile signage options you'll be able to take from event to event.

We can also finish banners with metal eyelets and welded-in ropes to suit your signage needs.

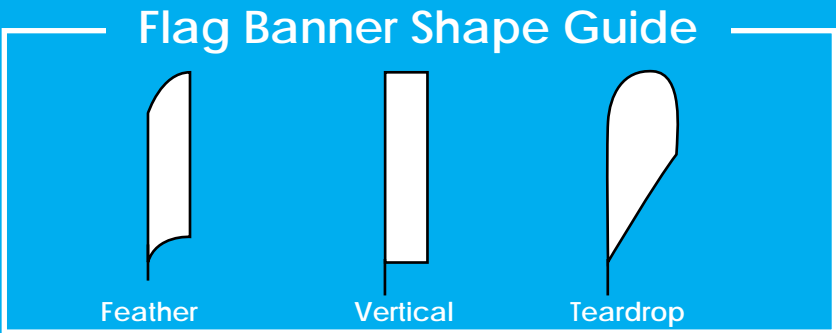

Please note that welded-in ropes require a longer turnaround than other options. Other options do not include rope.

FLAG BANNERS

For portable, attention-grabbing signage, look no further than our flag banners. Available in three different shapes with either a weighted stand or ground spike.

Great for events, cafes and unobtrusive signage outside your building.

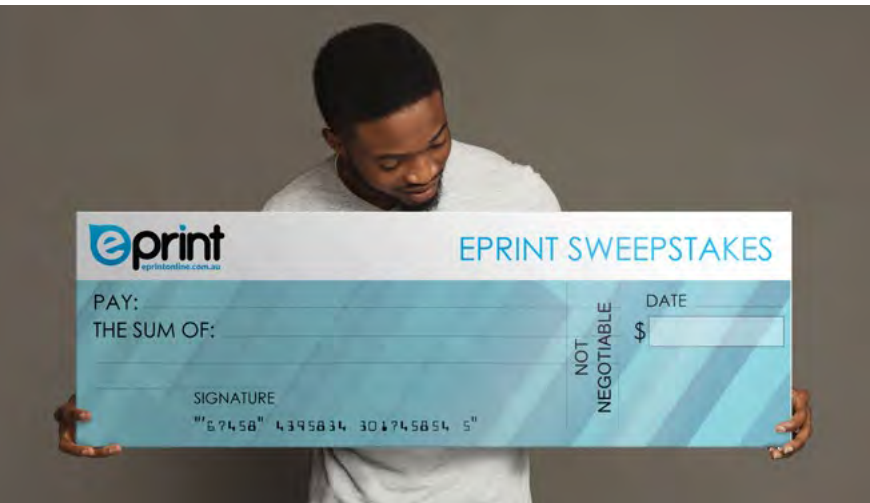

SELFIE FRAMES

Make your next event a hit with a selfie board. Selfie boards are a great way to spread your message over social media, promote your social media profiles and hashtags, break the ice or just create some special memories with the important people in your life.

Printed on 5mm corflute, these boards are sturdy enough to be party-proof and come with a window cut in the centre. Available in three sizes. Check out our website for a range of customisable online designs or a guide to setting up your own artwork.

NOVELTY CHEQUES

Customise your own cheque with your logos and event information for a picture-perfect addition to your event photo opportunities.

These novelty cheques are made of printed foamcore panels for a thick look while still remaining lightweight. Lamination is also available.

STICKERS & LABELS

Stickers are versatile tools for your business. Our range are all printed on quality stocks and include types to stick to almost any surface. Whether you need promotional stickers, window signage, a whiteboard, product packaging, workplace safety notices, merchandising and more, we have a sticker for you. The possibilities are endless! Check out our range of vehicles stickers for even more options.

WHITE VINYL STICKERS

Our best-selling standard option. White vinyl is tough, waterproof and strong. Printed with UV inks, these stickers can be cut to custom shapes, laminated for extra protection and produce vibrant results.

CLEAR VINYL STICKERS

For glass and packaging, our range of clear stickers that can be put on the inside or outside of windows. For fully opaque stickers and designs with white, try out our two layer white ink stickers.

WHITEBOARD STICKERS

Easily update your signs with whiteboard stickers. Turn any surface into a dry erase whiteboard. Team these stickers with an A-Frame for Specials boards without the mess of chalkboards.

CUSTOM CUT STICKERS

Get a stand-out look for your design or logo with a custom cut sticker. Printed on our white vinyl stock with UV inks, give your stickers a distinctive look or shape them to fit your purposes. Check out our website or contact us for more details on setting up your custom stickers.

HI-TACK STICKERS

Extra strong stickers for when you need things to stay stuck, whether for construction sites, bumper stickers, safety stickers and any job needing to withstand a lot of wear and tear.

PRODUCT STICKERS

We can help you find a solution for your product packaging without having to source complete packaging. Stickers can be an affordable alternative for smaller product runs, prototyping for investors and trade shows and branding your work for your customers.

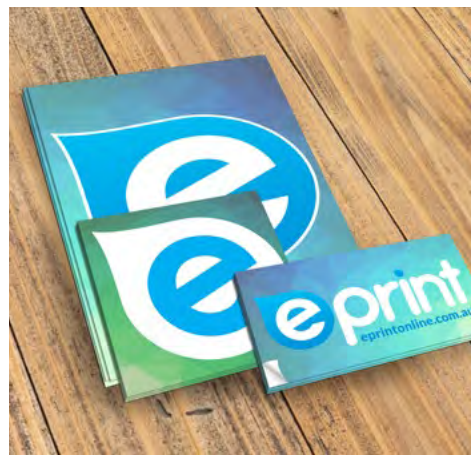

PAPERBACK LABELS (RECTANGLE & SQUARE LABELS)

When you need paper stickers or labels, look no further than our paperback labels. We have a range of set sizes, allowing you to order sheets of stickers that are easy to peel and use for stationary or packaging.

Please note that not all of our sizes are available with colour printed to the edge. Check the product pages to find the right size and type for you.

Please be sure to leave at least 3mm of space between your text and the edge as stickers may vary slightly in placement when printed,

PAPERBACK LABELS (CUSTOM SIZES)

Sometimes standard sizes just won't do. We can cut paperback labels to your size specifications

Please be sure to leave at least 3mm of space between your text and the edge as stickers may vary slightly in placement when printed,

PAPERBACK LABELS (CIRCLE)

Stylish round labels are a great for your logos and monograms. Our circular stickers are supplied on sheets and can be printed on short or longer turnarounds to suit your budget.

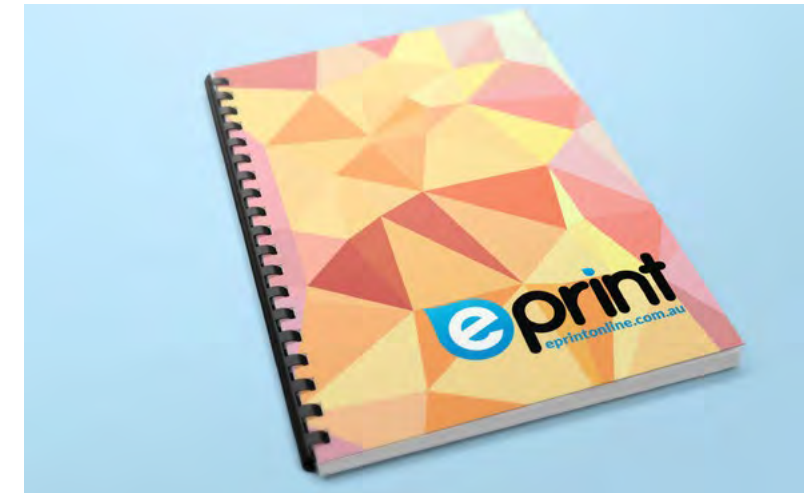

Please be sure to leave at least 3mm of space between your text and the edge as stickers may vary slightly in placement when printed,

DOCUMENT PRINTING

As well as our marketing and commercial printing, our printers can take care of all your document printing, scanning, binding and copying needs to make organising your business easier.

Our range of services includes

- Document Printing and stapling
- Colour copying and printing
- Manual Printing
- Ring binder printing
- Small and large format scanning
- Laminating
- Tab printing
- Blockmounting
- Leaflet printing
- Folder printing
- Custom-sized paper labels

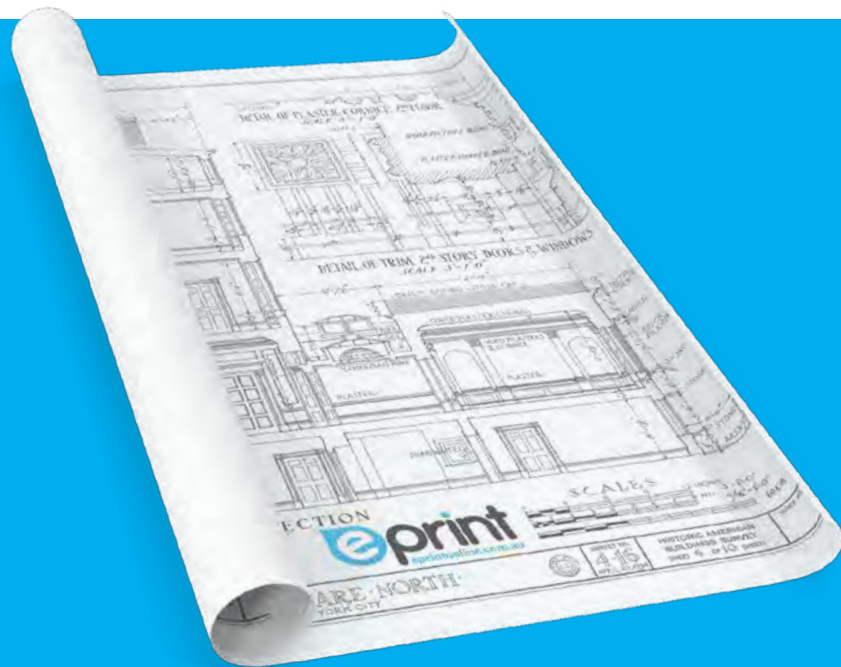

PLAN PRINTING

We specialise in printing architectural, engineering and construction plans. Our experienced plan printers understand the importance of accuracy and deadlines to your project timeline.

We can print to scale, enlarge or decrease the size of your plans. We can also print from digital or hard copies (via scanning) and supply you with hard and digital copies of the work. Plans are available in colour or black and white, in a range of sizes. We can also print your dress and sewing plans.

Ask our staff about our range of plan measuring and storage supplies to keep your plans tidy and organised.

BINDING

We'll help you keep it together.

As part of our document printing services, we also offer binding for your job to make sure everything is neat and easy to reference. Choose from comb, spiral and coil binding with a range of backing styles with a plastic cover.

Saddle-Stitched

We're here to make you look good.

Part of the ePrint difference is that we have experienced graphic designers in our offices who can make sure your job runs smoothly from idea to print. Our designers can help you get the best result for your money, create artwork to help expand your business and draw in new customers, design a new logo and brand identity or design content to match your existing brand.

We offer no-fuss design for all the products we sell, and much, much more.

Our services include;

- Logo design & vector recreations
- Discounted Business Packages available
- Marketing materials
- Brand identity & style guides
- Existing file alterations
- Print setup
- Photo retouching and enhancements
- Company stationary
- Email Signatures
- Wedding and event stationary set
- Mail merges
- Japanese translation services
- Online template setup for easy reordering and creating cards for new employees.

Just email design@eprintonline.com.au with your design brief or files and we will send you a quote, or call us to arrange a free ten minute consultation on the best design and print solution for you.

THE EASY NO-FUSS GUIDE TO SETTING UP YOUR ARTWORK FOR PRINT

ARTWORK SPECIFICATIONS

- Use **CMYK** (Print) colour mode, not **RGB**
- Change **ALL text** to outlines
- Save **ALL** files with **3mm of bleed** on each side
- Colour and images must be extended to the edge of the **bleed** for colour to the edge prints.
- Ensure all content is at least **3mm away** from the edge of the finish size- otherwise it may be trimmed off
- All black **text** should be **C:0 M:0 Y:0 K:100**
- All **solid black & grey areas** (Not text) need a 4 colour value (eg. For black use Rich Black- **C:60 M:50 Y: 50 K: 100.**) This produces darker, richer black colours
- No crop marks or colour bars needed

CMYK

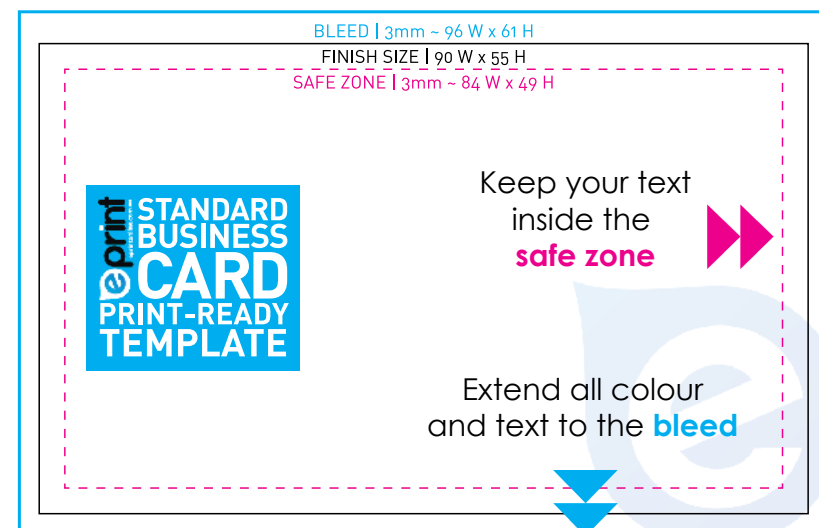

min
150DPI

**100%
BLACK** **RICH
BLACK**

FOR BEST RESULTS

- Submit files in **PDF format**
- Flatten **ALL** layers
- Make sure your images are at least **150dpi** for clear prints. We recommend **300dpi** at 100% scale for the best results
- Avoid adding **borders** around the edge of your print, as they may look uneven due to slight trim variations.
